Resolution: Authorize the Reissuance of Promissory Note, Series 2018 (CAMLS), a First Amendment to Loan Agreement and Amended and Restated Promissory Note, and Granting Additional Authority

Chair Smith asked Mr. Stubbs to introduce the resolution. Mr. Stubbs stated that this resolution authorizes the reissuance of the Promissory Note, Series 2018 (CAMLS Project) held by Truist Bank, and authorizes the execution and delivery of a first amendment to loan agreement and related amended and restated promissory note. The resolution further provides for a delegation of authority to authorize the Executive Director to do all things necessary or required, consistent with the resolution and bond agreements, to complete the transaction. Mr. Stubbs reviewed the resolution, first amendment to the loan agreement and the amended and restated promissory note. Mr. Stubbs stated that this transaction will reduce the fixed interest

rate from 3.51% to 2.25% over the remaining ten years to final maturity of the debt. This reduction results in a debt service savings of \$871,000 over ten years, or \$87,000 annually. The present value savings of 5.60% exceeds the Board of Governors Debt Management Guidelines minimum savings criteria of at least 5%. By negotiating directly with Truist Bank, who held the Notes, the Financing Corporation was able to avoid typical transaction feasibility requirements, such as being subject to underwriting criteria, a competitive process, and market pricing. Furthermore, the bank did not add any new covenants. Mr. Stubbs also stated that the transaction is expected to close on August 31, 2020.

Chair Smith asked if there were any other questions from the Board. Hearing none, he requested a motion to authorize the reissuance of the Promissory Note, Series 2018 (CAMLs), the First Amendment to the Loan Agreement and the Amended and Restated Promissory Note, and granting additional authority. The motion was duly made and seconded, and the following was unanimously approved:
