

Behavioral and Community Sciences at the University of South Florida (USF) in Tampa, Florida, USA.

1987-2021 Professor (tenured in 1994, promoted to Professor in 2000, served as Associate Department Chair from 2002-2004, served as Department Chair from 2004-2011) at the University of South Florida

Therapist, Florida State University Psychology Clinic. (15 hours/week).

1982 Psychological Consultant, Florida State Hospital, Chattahoochee, FL.
(20 hours/week).

1980- Resident Advisor/Counselor, Devereux Career House Treatment Center,
1981 Devon, Pennsylvania. (40 hrs/week)

1979- Therapeutic Recreation Counselor, Devereux Hall
1980 Treatment Center, Berwyn, Pennsylvania. (40 hrs/week)

2015 Awarded a Fulbright Specialist grant to provide consultation and research, in collaboration with colleagues from the University of Cape Coast in Ghana. The grant supports a month of on-site work in Ghana during May-June, 2015, and several follow-up activities. Major activities include conducting a needs assessment survey within the three psychiatri

- Services Administration, Center for Substance Abuse Treatment, and the Texas Department of Criminal Justice to evaluate the effectiveness of substance abuse screening instruments with state prisoners. (\$22,000). Principal Investigator.
- 1995-1996- Awarded a contract from the City of Jacksonville to evaluate the Criminal Justice Substance Abuse Treatment Program (CJSATP) in the Jacksonville jail. (\$27,000). Principal Investigator.
- 1995 Awarded a contract from the Florida Department of Corrections to design a treatment program for dually diagnosed inmates, and program evaluation strategies. (\$20,000). Principal Investigator.
- 1994-1995 Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to provide technical assistance in implementing a juvenile drug court program in the 1st Judicial Circuit. (\$11,700). Principal Investigator.
- 1992-1994 Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to provide technical assistance in implementing a model demonstration drug court program in the 1st Judicial Circuit, to develop strategies to evaluate the drug court program, and to develop a guidelines manual for the State Justice Institute to assist in drug court program implementation. (\$51,000). Principal Investigator.
- 1993 Awarded a contract from the Florida Department of Corrections to develop an evaluation of acute care and transitional care mental health facilities within three state correctional institutions. (\$103,000). Co-Principal Investigator.
- Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to develop an evaluation of Florida's DUI programs. (\$25,500). Principal Investigator.
- 1992-1993- Awarded a contract from the City of Jacksonville to provide consultation in developing evaluation strategies for the Criminal Justice Substance Abuse Treatment Program (CJSATP) in the Jacksonville jail. (\$8,400). Principal Investigator.
- Awarded a contract from the King County Department of Public Health, Division of Alcoholism and Substance Abuse Services to conduct an evaluation of substance abuse treatment programs within the King County Jail, Seattle, Washington (\$14,800). Principal Investigator.
- Awarded a contract from the Florida Department of Corrections to design evaluation procedures for a demonstration mental health unit within the Charlotte Correctional Institution. (\$10,930). Co-Principal Investigator.
- Awarded a contract from the Florida Department of Corrections to evaluate substance abuse screening and assessment strategies within the FDOC Tier Programs. (\$18,662). Principal Investigator.
- 1991 Received a Research and Creative Scholarship Grant from the University of South

Florida, entitled "Alcohol expectancies among incarcerated offenders referred to a substance abuse treatment program: Predicting relapse, recidivism, and drinking styles." (\$3,445). Co-Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to evaluate the effectiveness of national demonstration in-jail drug treatment programs. (\$13,808). Principal Investigator.

Received a grant from the Florida Department of Health and Rehabilitative Services to develop a model assessment and evaluation strategy to be employed in public adolescent drug treatment facilities. The grant also provided funding for research evaluating the reliability of current assessment instruments in identifying drug use among adolescents. (\$60,000). Co-Principal Investigator.

Awarded a contract from the Vera Institute of Justice, New York, New York, to conduct a pre-service training workshop for drug treatment staff, to provide in-service training for clinical supervisors, and to develop a pre-service training curriculum manual. (\$10,818). Principal Investigator.

1990 Awarded a contract from the Hillsborough County Sheriff's Office, Tampa, Florida, to provide follow-up evaluation, data analysis, clinical consultation, and training in support of the Sheriff's Office In-Jail Substance Abuse Program. (\$15,000). Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to assist in developing a monograph chapter for the National Institute on Corrections (NIC) "Task Force on Correctional Substance Abuse Strategies". (\$2,000). Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to evaluate results from a nationwide survey of in-jail drug treatment programs. (\$4,000). Principal Investigator.

1989 Received a Research and Creative Scholarship Grant from the Department of Law and Mental Health to evaluate the utility of addiction assessment instruments in a jail setting. (\$4,324). Principal Investigator.

1988 Awarded a contract from the Hillsborough County Sheriff's Office, Tampa, Florida, to develop an in-jail drug treatment program design, to assist in staff hiring, to provide pre-service staff training, and to develop and implement an evaluation of program effectiveness. (\$60,000). Co-Principal Investigator.

1987 Received a President's Council Faculty Award grant from the University of South Florida to evaluate the potential diversion of misdemeanor mentally ill inmates from jails. (\$4,585). Principal Investigator.

Awarded a contract from the Florida Department of Health and Rehabilitative Services, District V, St. Petersburg, Florida, to conduct a series of three two-day

training workshops in stress management, communications skills, and management of difficult client populations. (\$5,000). Principal Investigator.
