The table is a grid with approximately 10 columns and 30 rows. It is divided into sections by horizontal bands: a dark blue band at the top, followed by a light blue band, a light gray band, another light blue band, and a final light gray band at the bottom. Within these sections, the grid cells are colored in light blue and light gray. A vertical column of teal-colored cells is present, starting from the second row and extending down to the 12th row. A few other teal cells are scattered in the 10th and 11th rows. A yellow border highlights a cell in the 12th row, 3rd column.
