 • Instructional activity is used to calculate an IPEDS FTE based on the institution's reported calendar system.

• Graduate credit hour activity should not include any doctor's–professional practice activity, the total of those students' FTE is entered separately instead.

:H9`FYdcfh]b[ `FYa]bXYf.

• Institutions need not report their own calculations of undergraduate or graduate FTE unless IPEDS FTE calculations would be misleading for comparison purposes among all IPEDS reporting institutions.
