The image displays a complex table structure with a grid of cells. A vertical line runs down the center of the table. The table is composed of several rows and columns, with some cells highlighted in different colors. The colors used are light blue, orange, and teal. The table is divided into sections by these colors and the vertical line. The top section has a light blue header row. Below it, there are rows with orange and light blue backgrounds. The main body of the table consists of multiple rows with a light blue background, and some rows with a teal background. The bottom section also has a light blue header row and rows with orange and light blue backgrounds. The vertical line is positioned in the middle of the table, separating the left and right halves.

Part E - First-time Bachelor's Cohort Retention Rates (Full-time)

**Retention Rates**  
**Full-time, First-time Bachelor's Cohort from Fall 2016**

Academic reporters determine the cohort and retention as of the institution's official fall reporting date or as of October 15. Program reporters determine the cohort with enrollment any time between August 1 and October 31, 2016 and retention based on August 1, 2017.

The retention rate is calculated by the system after clicking "Save" on the screen. Exclusions are subtracted from and inclusions are added to the original cohort and the resulting adjusted cohort is used for calculating the retention rate.

**Retention Data Reporting Reminders:**

- Include only **full-time, first-time bachelor's** students in this cohort.
- Determine the full-time cohort using Fall 2016 status (e.g. if a student was full-time in Fall 2016, report them in the full-time cohort regardless of their Fall 2017 status).
- If there are no students to report in the cohort, enter zero. Do not leave the field blank.
- Report in the exclusions box (line E2a) the number of students from the cohort who left the institution for any of the following reasons: died or were totally and permanently disabled to serve in the armed forces (including those called to active duty) to serve with a foreign aid service of the Federal Government (e.g. Peace Corps) or to serve on official church missions.
- Report in the inclusion box (line E2b) first-time bachelor's-seeking study abroad students who were excluded from the first-time cohort (line E1) but who have re-enrolled at the institution their second year.
