

CALL FOR NOMINATIONS

2024 Faculty Outstanding Research Achievement Awards For the calendar year January 1 through December 31, 2023

Deans, Department Chairs, Center/Institute Directors, and Associate Deans for Research are cordially invited to nominate faculty for the Faculty Outstanding Research Achievement Award. The deadline for receipt of nominations is **Monday, April 8, 2024, 11:59pm**. Please refer to the Nomination Guidelines on the following pages. Have your nominee information and supporting documents ready as specified therein, then complete the online form by the deadline at <https://usf.infoready4.com/>. Awards include \$2,000 to each winner and will be presented to current USF faculty with exceptional research achievements accomplished or recognized during the calendar year January through December 31, 2023. Awardees will be recognized online and via social media, and at an in-person luncheon on Tuesday, September 10, 2024.

Eligibility:

To meet eligibility, a faculty member must have been employed on or before January 1, 2023, and remain employed and in good standing at USF through the month that Outstanding Research Achievement Awards are distributed.

All nominations must be submitted by the Department Chair, Center/Institute Director, or Associate Dean for Research, and include a letter of nomination endorsed by the Dean of the college where the nominee has their primary appointment.

Achievement must have been accomplished or formally recognized during the calendar year January 1 through December 31, 2023.

Faculty members not having received an award in the previous year will receive priority. See <https://www.usf.edu/research-innovation/sr/documents/oraa-recipients.pdf> for previous awardees.

Nomination Process:

Faculty cannot self-nominate for the award.

More than one faculty nomination may be made from each unit/division/department/ concentration area. The nomination information and Supporting Documents must be submitted in InfoReady by Monday, April 8, 11:59 pm. EDT.

A one-sentence citation highlighting the research specialization of the 2023 accomplishments must be included. Refer to examples at <https://www.usf.edu/news/2023/six-usf-faculty-members-earn-national-recognition-for-research-achievements.aspx>.

Include a 150-word (maximum) summary of the nominee's 2023 contributions (only).

Supporting documents must be uploaded as a single PDF document, as specified in the Nominations Guidelines.

Include key information about the relative significance of the award received, uniqueness of the recognition, and stature of the sponsoring organization. Provide links to the relevant website.

Nominations will be reviewed by the USF Research Council. The Council's recommendations will be provided to the Vice President for Research & Innovation for use in the final selection process.

Prior to completing the online form, refer to the Nomination Guidelines.
